Cold Brew Affogato

An affogato (coffee over ice cream) is meant to be a treat, so make it like you mean it — upgrade to a cold brew affogato with delicious **Dunkin'** cold brew coffee. This recipe is especially easy, since you don't have to make the cold brew from scratch.

Prep Time	Cook Time	Serves	Difficulty
3 mins	N/A	1	Easy

Ingredients

- 1/4 cup Dunkin’ Cold Brew Concentrate
- 2/3 cup ice cream
- 1/4 cup water

Directions

Step 1: Combine cold brew concentrate and water.

MIX cold brew concentrate and water in a glass or cup.

Step 2: Scoop ice cream into a glass.

SCOOP ice cream into an espresso glass, dessert dish, bowl or mug.

Step 3: Pour cold brew over top of ice cream.

POUR cold brew over the ice cream scoops and enjoy!
