| Prep Time | Cook Time | Serves | Difficulty |
|---|---|---|---|
| 5 mins | N/A | 2 | Easy |

## Ingredients

- 1 Cold K-Cup® pod

  Dunkin’ Cold Iced Coffee K-Cup® pods

- -OR-
- 1 Cold Powdered Coffee Pack
- 1/4 cup sweet and creamy coffee creamer
- 2 tablespoons Smucker's® Sundae Syrup™ Chocolate Flavored Syrup plus additional for topping

  Drizzle Chocolate Flavored Syrup

- -OR-
- 2 tablespoons Smucker's® Sundae Syrup™ Caramel Flavored Syrup plus additional for topping

  Drizzle Caramel Flavored Syrup

- 1 cup ice cubes
- (Optional) Whipped cream or cold foam
- Water

## Directions

**Step 2: Brew coffee over ice.**

BREW coffee over ice in a non-glass tumbler.

**Step 3: Blend together iced coffee, water, coffee creamer, chocolate flavored syrup or caramel flavored syrup and ice.**

POUR iced coffee, water, coffee creamer, chocolate flavored syrup or caramel flavored syrup and a little more ice into a blender container. Cover and blend until smooth.

**Step 4: Pour in glass.**

POUR into a glass.

**Step 5: Top with whipped cream and chocolate flavored syrup or caramel flavored syrup.**

TOP with whipped cream or cold foam and a drizzle of chocolate flavored syrup or caramel flavored syrup.

**Step 7: Blend ingredients together.**

POUR the powdered instant cold coffee, water, coffee creamer, syrup and ice into a blender container. Cover and blend until smooth, adding more ice if needed.

**Step 8: Pour into glass.**

POUR into a glass.

**Step 9: Top with whipped cream and chocolate flavored syrup or caramel flavored syrup.**

TOP with whipped cream or cold foam and a drizzle of chocolate flavored syrup or caramel flavored syrup.
